

FLEET **forward** 2022

Enhancing the Rider Experience, Together.

What is Fleet Forward 2022?

Fleet Forward 2022 is a study that will identify how CCRTA can improve transit service for its community.

The study includes multiple opportunities for community input, including any on-board surveys, public meetings and stakeholder discussions.

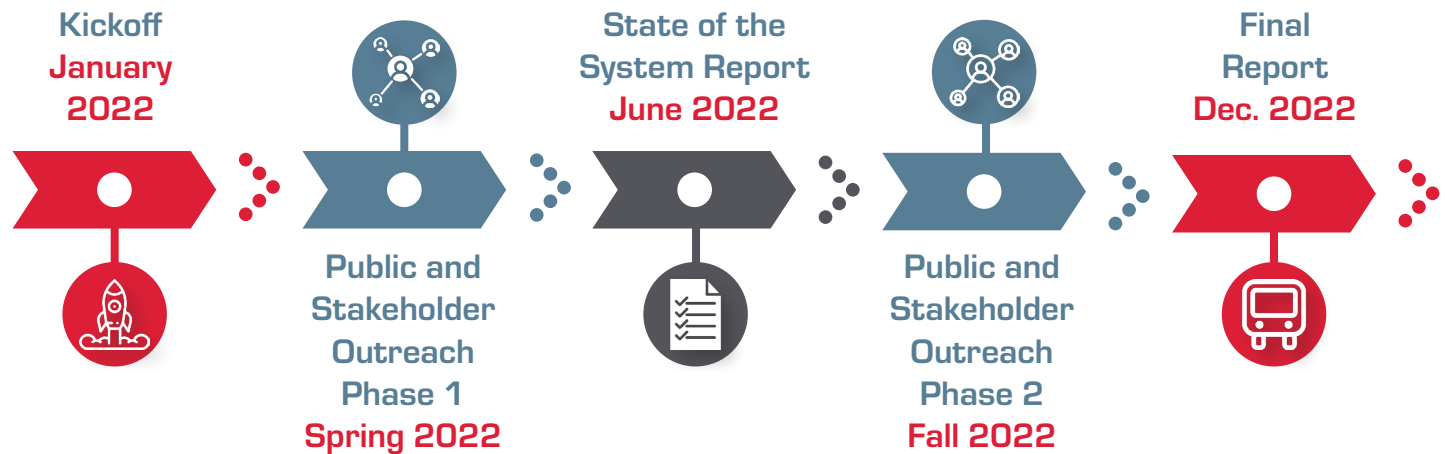

Fleet Forward 2022 aims to create a more convenient and efficient transit system.

The outcome will be a strategic plan that will guide service improvements and expansion through 2040.
